<ol style="list-style-type: none"> 13. acting within a short timescale to implement improvements. 14. all matters should be out in the open 15. don't take so long with plans 16. have long term workable strategies in place 17. Implementing strategies rather than just creating them. 18. make effective efficient realistic plans 19. Not just listen to all residents, but act 20. review of services against plan - continuous review 21. take hard decisions in the interests of efficiency 22. take long term view and step by step changes may be more affordable and give opportunity for review and regular improvement 23. think out plans viable (not pish)

Partner Response:
The frustrations underlying the concerns raised above are all noted and councillors and public sector officials will continue to strive to demonstrate further progress in all of these areas.
