<b>Feedback/Comments Received:</b>	
Partnerships: Community Planning Partnership: Service & Delivery - Funding	
<b>Refer to:</b>	
CPP 230-18863 / Page 18 / Bullets 127-133	
127.	more funding to services
128.	needless expenditure on looking good, e.g.. fancy Christmas lights, Santa in helicopter, art installations and equivalent
129.	only spend what you can pay for
130.	Reduction in public services
131.	share budgets with partners
132.	spending money directly on front line services.
133.	Spending money on things that are necessary

<b>Partner Response:</b>	
<p>The council provided a useful summary of expenditure noting what is statutory and what is discretionary for the engagement process and can be viewed <a href="#">here</a>.</p> <p>There a number of activities, such as Christmas lights and art installation that are not funded by the council or other public sector providers. Christmas lights are provided by different community groups throughout Moray and other organisations such as Elgin Business Improvement District organise other improvements to town centres.</p> <p>Sharing budgets and service provision is an area that partners need to consider further.</p>	

<b>Responded by:</b>	Mark Palmer, Corporate Director (Corporate Services) Moray Council
