

## Public Protection Partnership

### Action Plan for 2015/16

What is our 2023 target?	What will we do in 2015/2016	Who will do it?	What are our milestones?	What are the barriers/risks?
Reduce the number of domestic abuse crimes - Reply from MAPD	<p>In conjunction with Police Scotland, work to reduce the number of offences that are committed under the influence of Alcohol or drugs, through early intervention work to educate people about safe levels of alcohol use.</p> <p>Continue to support and engage with the Domestic Abuse Partnership, the Community Safety Strategic Group, and the Public Protection Partnership in Moray to assist with the reduction of substance misuse related offending in the Moray area.</p>	MADP in partnership with DAP and district services	<p>Milestones set out in the Domestic Abuse Strategy</p> <p>MADP Target</p> <p>Decrease the number of Domestic Abuse cases and number where the perpetrator was under the influence of alcohol or drugs by 10% by 2014. (last target. Target likely to continue.</p> <p>Baseline: 259. Actuals: 2013/14 225</p>	<p><b>Barriers:</b></p> <p>No significant barriers. However, the role and functions of the Domestic Abuse Partnership would benefit from being reviewed to ensure that there are clear terms of reference and direct links to the PPP.</p>
Reduce the number of domestic abuse crimes – Reply from NHSG	<p>Gendered-Based Violence Action Plan - CEL 41 (2008)</p> <p>Addressing 4 key areas:</p> <ol style="list-style-type: none"> <li>1. Implementation of routine enquiry of abuse within priority settings</li> <li>2. Dissemination of revised guidance on abuse for staff</li> <li>3. Production of employee policy on gendered-based violence</li> <li>4. Multiagency collaboration</li> </ol>	NHS G work force, to embed and sustain the four key areas as part of core business.		

What is our 2023 target?	What will we do in 2015/2016	Who will do it?	What are our milestones?	What are the barriers/risks?
Reduce the number of domestic abuse crimes– Reply from Graeme Rizza	Education/awareness raising sessions in schools and the workplace	<b>Training and Information officer; Pat Bailey-MacKay</b>	<b>Sessions delivered on a rolling programme across schools and others by request.</b>	<b>Fitting in to school timetables; getting access to classes in a consistent way. Staff need to be alert to risk of emotional trauma resulting from input.</b>
Reduce the number of domestic abuse crimes – Reply from Community Safety	<p>Pursue - robustly investigate reported crimes of domestic abuse and report offenders on all occasions where evidence allows.</p> <p>Pursue - through national Campaign Against Violence (CAV) initiatives and other specific domestic violence operations carry out and robust enforcement.</p> <p>Publicise - enforcement.</p> <p>Publicise - initiatives and campaigns.</p> <p>Protection - where Bail conditions are in place for the safety of the victim, proactively police those and ensure any breaches are reported</p> <p>Protection - through the MARAC and MATAC process take proactive steps to mitigate any risks surrounding high risk</p>	<p>Police Scotland - All staff including specialist domestic abuse units</p> <p>MCHSCP Public Health Team</p> <p>MADP Services</p> <p>Third Sector Support</p> <p>Moray Council Services - all staff including Housing, Social Work, Education, Healthy Working Lives</p> <p>RAF / Army Welfare and Support Services</p> <p>Private Landlords</p>	<p>Moray CPP 2023 targets</p> <p>Moray Community Safety Partnership Strategy</p> <p>Moray Violence and Domestic Abuse Strategic Framework - Launch</p> <p>Moray Domestic Abuse Partnership Annual Conference</p> <p>Police Scotland Moray Local Policing Plans</p> <p>Recruit Domestic Abuse Coordinator</p>	<p>Domestic crime reporting is still on the increase and whilst this is currently viewed as a positive indicator of public confidence this is not a sustainable position in terms of seeking a long term reduction.</p> <p>The Moray Domestic Abuse Partnership would benefit from an identified lead officer to co-ordinate and drive forward multi-agency working on the subject.</p> <p>Lack of funding to provide Domestic Abuse Coordinator preventing coordinated and adhesive approach.</p>

What is our 2023 target?	What will we do in 2015/2016	Who will do it?	What are our milestones?	What are the barriers/risks?
